

**Special Forces Association Chapter 90
Fredericksburg, Virginia
"The Green Berets"**

Dear Sir/Madam,

Special Forces Association (SFA) Chapter 90 is asking for your help to advertise for worthy candidates through your network of colleagues and friends for our annual **'Profiles in Courage - Bravery Beyond the Battlefield'** award.

The Special Forces Association is a national organization of retired U.S. Army Special Forces soldiers. Chapter 90 is located in Fredericksburg and supports veteran-based community service and charity efforts here in the central Rappahannock region. As part of our ongoing efforts to *'Pay It Forward'* we established an annual **'Profiles in Courage - Bravery Beyond the Battlefield'** award.

'Green Berets' have a legendary record for battlefield bravery. However, we know that courage comes in many other forms as well, including ethical, moral, or spiritual courage.

This award recognizes neighbors and friends in our region who have demonstrated great personal courage; performed exemplary selfless deeds or services; succeeded over extreme hardship; dedicated personal time to the betterment of others; or other deeds that serve as an inspiration and enrich our community civic spirit and values.

The most inspirational nomination(s) will be invited as our guest(s) to our annual Holiday Party in early January at a local Fredericksburg restaurant. All nominees will be officially recognized by the Chapter.

More information about this award as well as how to donate to or be a sponsor for Chapter 90 can be found on our Web page at <http://sfa90.org>.

If you have questions about this award or any of our other community activities please e-mail us at: <SFA_Chapter90@hotmail.com>. Thank you for your support.

NOTE: The space between SFA and Chapter90 is an *'_'* (underscore).

Sincerely,

Jeff Bernard

Brad Herzog
